

DAHLE MHP Technology® document shredders 50114

- Convenient desk side document shredder
- Innovative MHP® (Matrix High Performance) cutters: high-quality compound steel cutters that are guaranteed to last
- Patented manufacturing process preserves resources by considerable saving of raw materials compared to a conventional production of cutting cylinders
- Oil and maintenance free operation
- More performance and convenience by MHP cutting cylinders
- Widely opening doors for ease of emptying the waste container
- Clearly designed, user-friendly control panel with illuminated information and function unit and acoustic signals
- With automatic motor cut-out after 30 minutes without use
- Electronic start-stop function controlled by integrated light barrier
- Convenient feed and reverse function for manual control
- Motor cuts out automatically when waste bin is full or door is open
- Automatic shredding stop and optical signal in control panel when bin full
- Powerful motor for high capacity and longer running times
- Extremely quiet operation for a particularly pleasant working atmosphere
- Convenient swivel casters providing 5 cm floor clearance for greater mobility and two brakes for keeping the shredder firmly in place
- Separate main switch for completely shutting down the document shredder
- Practical IEC power connector can be unplugged from the document shredder
- Dimensions (H x W x D): 628 x 430 x 350 mm
- Motor size is 350W
- Power Source (voltage): 220V - 230V

CE Compliance

Deskside document shredders: performance and convenience directly at the desk

Entry width 240 mm

Waste collection volume 30 litres

Cross cut

Convenient swivel casters with brake for reliably keeping the document shredder firmly in place

Carries the GS Intertek test mark
